Discussion/Action

After introductions and review of job responsibilities, council members were asked for nomination or volunteers to serve in leadership positions. Melissa Cruz- council chair, Kathleen Reid, co-chair, and Leticia Barboza- secretary will fill these roles this year.

The council was made aware of vacancies and asked to consider individuals who they would recommend for parent, business and community positions.

The District Improvement Plan components were reviewed and approved for recommendation to the Board with minor edits.

Meeting schedule for 2022- 2023 was established, with meetings scheduled as follows: November 17, 2022, January 19, 2023, March 9, 2023, and May 18, 2023. Additional meetings and or subcommittee meetings will be called as needed.

It was decided that the next meeting will be held in person at the Emma Frey Media Center from 5:00pm to 6:00 pm (with an extension to 6:15 when needed).

No other business was conducted.
