First Idea

Times New Roman 14

The software interface features a toolbar at the top with icons for drawing and editing. A vertical toolbar on the left contains various shapes and symbols. The main drawing area shows a bubble containing the text "First Idea". Red arrows and numbered boxes (1 and 2) indicate the steps to create the bubble: 1. click on bubble, 2. click on rectangle. The bottom status bar shows the font "Times New Roman" and size "14".
