This is my eighth year with Edgewood ISD. Even though things are different this year, know that I am here to assist, and support you and your family. I hope to build a relationship between you and your child's school so that your child can succeed academically and social-emotionally. Please do not hesitate to contact me with any questions or concerns you may have. I am always here to serve you.

Debra A. Thames

3. Set reasonable expectations for yourself and other family members.

2. Anime a su familia a compartir sus factores estresantes diarios.
