Edgewood ISD Family,

I am devastated by the acts of violence that occurred in our neighboring community of Uvalde CISD.

EISD stands with the Uvalde Consolidated Independent School District (CISD) and those impacted by today's horrific violence. We offer our most heartfelt sympathies, prayers, and comfort to the classmates, teachers, families, and friends in the Uvalde community.

I want to reassure the EISD community that student safety in Edgewood ISD is top priority. As preventive measures taken prior to today's devastating events, the EISD Police Department patrols the 16 square miles of our district all day and night. They will also be present at our campuses with increased frequency and will be highly visible. EISD does not condone any acts of violence.

We have all been impacted by this recent tragedy. May God bring peace and support to the communities in Uvalde CISD. We stand in solidarity with them and offer prayers for all involved.

Sincerely,

Dr. Eduardo Hernández
